

# Bike To The Ball Game!

The area around RFK Stadium is accessible by bicycle, and DDOT has installed new, free parking for 60 bikes at four locations at the stadium: Near Lot 3, Lot 7, Lot 8, and Gate F.

These maps show you the best routes to the bike parking areas from Capitol Hill and East of the River.

- There are bike lanes on C Street, D Street, East Capitol Street, 14<sup>th</sup> Street, and 15th Street.
- There is a bike trail and signed route along Oklahoma Avenue.
- The refurbished Benning Road Bridge has a wide sidewalk for bicycling.

Leave your panniers at home. No bags or backpacks are allowed in the stadium.

Give us your feedback on the parking and we'll try to make any necessary improvements.
